**PUBLIC SERVICE ANNOUNCEMENT**

**CCR&R For Quality Child Care**

Do you have questions about quality child care?

Child Care Resource and Referral (CCR&R) can help you, whether you are a parent or a business looking to help employees with children reduce absenteeism and increase productivity.

Caswell County CCR&R is devoted to offering services and programs that make child care work better for all families and the community. CCR&R offers information to families on the availability of quality child care in Caswell County, as well as support to licensed child care providers in achieving the highest quality care. CCR&R on-site referral services are available for businesses. Technical assistance is available to potential child care providers to expand the availability of licensed facilities.

For more information in making quality child care decisions call CCR&R at (336) 694-1538.

CCR&R is an activity of Caswell County Partnership for Children.
