Partnership Reaching Out To Community

Caswell County Partnership for Children not only works to assure children will be healthy and able to reach their fullest potential, but also helps business owners support working families.

Child Care Resource & Referral (CCR&R), sponsored by Caswell County Partnership for Children, helps parents find information on licensed child care, including some that operate 24 hours, on shifts and holidays.

“Connecting parents to programs is an important part of the services that we provide at the Partnership,” said Executive Director Sandra Hudspeth.

Free on-site child care referral information about licensed child care is available.

“Lunch & Learn Programs” can be arranged with a short presentation in the cafeteria to distribute information.

The Partnership also works with businesses to distribute important information to families about children. Newsletters are distributed quarterly and bulletin boards are at the at McDonald’s in Yanceyville, Caswell County Department of Social Services, Alice’s Educational Wonderland, Early Head Start, Lively Pebbles, Noah’s Educational Ark, PCC Child Development Center, Rainbow Educational Day Care, RCS Regional Headstart, and the Partnership office.

Caswell County Partnership for Children is available to speak to churches and civic groups who are interested in educational presentations.
