Celebrating Teacher Appreciation Week

During the first week in May, Caswell childcare centers celebrated our children's earliest teachers.

Parent clubs at Rainbow Daycare Center made great effort to show their appreciation many ways. Teachers and other staff members were treated to lunch from Subway, a hearty breakfast, a plaque, pizza, flowers, and homemade fudge. There were also four raffles: a carwash from Miles Detailing, a visit to CC Nails, a meal at the Great Wall Restaurant and a day off. Students also thanked their teachers with many personal gifts.

Caregivers at Alice's Educational Wonderland were given flowers, candy, cards, balloons and a special sheet cake in thanks for the patience and dedication they show in teaching children.

The staff at Lively Pebbles of Lively Stones Baptist Church received a new coffee pot. Parents brought breakfast everyday and one parent stocked the employee refrigerator with drinks, pudding and fruit.

Teachers at Noah's Educational Ark received an "Educational Survival Kit" with things for the classroom, as well as flowers, bags of snacks and homemade goodies. Parents also brought breakfast and lunch.

Parents with children at PCC Child Development Center brought flower pots, snacks for the teachers and many other things throughout the week.

Thanks to all who recognized our dedicated child care providers!
