Training Descriptions:

Playground Safety

As an early childhood professional, you are always supervising the children in your care. This training addresses playground safety hazards, playground supervision, maintenance and general upkeep of the outdoor learning environment, and age and developmentally appropriate playground materials and equipment. Attend to make sure your outdoor play area a safe and appropriate learning environment. Presented by Alicia Tanner, Regional Child Care Health Consultant Manager.

Suspension/Expulsion: What's Happening?

This training is designed to look into culturally and developmentally age-appropriate behaviors and for challenging behaviors, implement researched based strategies/techniques to eliminate and/or reduce the suspension/expulsion of children. Presented by Dr. Brenda Williamson.

Observation and Recording Tools to Plan Effective Lesson Plans

This training will discuss educational tools such as checklists, frequency counts, and participation charts and how to incorporate recorded information about occurrence of

specific behaviors or skills writing activities and/or needed materials on lesson plans for individualized goal plan. Scenarios will be presented for participants to practice writing effective lesson plan content. Presented by Dr. Brenda Williamson.

Note: If a training has Part 1 and Part 2, you must attend both sessions in order to receive credit for attending.
