Be Active Kids® uses colorful characters, interactive hands-on lessons and bright visuals to teach and encourage children to explore their natural surroundings, engage in playful experiences, and show children that physical activity can be fun. Child Care programs working with children birth to five will receive a FREE and NEWLY REVISED *Be Active Kids® Guide to Early Childhood Physical Activity*, which includes over 80 developmentally appropriate physical activities for children ages birth to five. In addition, the guide provides physical activity guidelines and best practices, classroom management strategies, tips for modifying activities and much more! Even if you've previously participated in a Be Active Kids® training, please join us for this new and improved learning event where your program will receive the new movement guide, full of exciting activities for your classrooms!
