

Caswell County Partnership for Children (CCPFC)

Training for Child Care Providers

Oral Health

Trainer: Kim Jernigan, Division of Public Health, NC DHHS

Since tooth decay is the most common chronic disease of childhood, the purpose of this training is to provide information to assist caregivers and those who influence caregivers to understand the dental needs of young children, implement healthy habits in the childcare environment, and encourage parents to establish a dental home so that young children will suffer less oral disease.

January 23, 2018
6:30-8 PM (1.5 CHC)

Training Cost - \$0

Training location: Caswell County Partnership for Children (CCPFC)

Please submit registration form to CCPFC by January 12, 2018.
