The Caswell County Partnership for Children (CCPFC) will conduct an open and competitive selection process to seek two-year proposals for the provision of program support services designed to support activities that provide children and their families with resources and services to enable all children to reach their fullest potential. Proposed services must 1) be **evidence-based and/or evidence-informed** and 2) address the **identified community need in the area of Program Support as it relates to families and children age birth to five.**

Prospective Contractors should review the Request for Proposals (RFP) Guidelines for specific information required in the RFP, which are posted online at [www.caswellchildren.org/rfp](http://www.caswellchildren.org/rfp). It is the Contractor's responsibility to ensure that all information has been reviewed.

Proposals subject to the conditions outlined in the RFP will be received until 4:00 p.m., Monday, September 10, 2018. Proposals, including supporting documentation, should be emailed to the Executive Director at [ccp4child@esinc.net](mailto:ccp4child@esinc.net).

Direct all inquiries concerning this RFP to the Executive Director at the telephone number or email address as shown above.
