

Family Members of Young Children (ages birth to five)

We want to hear from you!

You are the expert! We want to hear about your experiences getting the services you need for your young child. This could be someone to care for your child when you have to go to work or go to an appointment. Or, this could be taking your child to see a doctor or getting services for children with disabilities.

We are meeting with parents from across the state to learn about how to improve care for all young children in North Carolina.

You will be in a group of 6 - 10 parents and will be asked a set of questions by the group leader. Listening sessions may be recorded and will be kept confidential. Your name will not be included in any report.

- **The listening session will last between 1 and 1 ½ hours.**
- **We will provide snacks.**
- **You will receive a \$50 Walmart gift card for participating.**

Space is limited! Please RSVP to Katy McCullough at
919-966-7934 or katy.mccullough@unc.edu
